SUMMARY OF THE REASONS FOR DECISION:

This publication forms part of a batch of magazines referred to as **Sub-Category C of Appendix A of New Zealand Customs' Submission of 13 October 1994**. The publications were batched under one decision for administrative ease because of the large numbers involved. The publications in this sub-category have been classified as objectionable unless their availability is restricted to persons who have attained the age of 18 years for the following reasons. Some of the publications deal with extremes of sexual behaviour and harmful sexual attitudes; the infliction of serious physical harm; sexual conduct with and by children and young persons, and physical conduct in which sexual satisfaction is derived from inflicting and suffering cruelty and pain, though they are not presented in a manner or to an extent and degree that warranted further concern. The remainder of the publications focused upon both the description and depiction of explicit homosexual sexual activity directed to an adult homosexual audience for the purpose of entertainment and sexual arousal.
